Subject: FW: Recent Graduates: EPA Environmental Justice job opp! Deadline 9/30/22

Hi. We are posting for a few different jobs over the next few weeks in the EJ area, so if you have good candidates, please send them to USAJobs. The positions are not posted for very long, so people need to apply quickly. Also, we don't often have openings for recent grads, so that's an exciting opportunity as well.

Thanks for sending good people our way.
